

GOLF FOR GOOD

**Junior
Achievement™**
of Northern California

Not just another golf tournament. Not just another day out of the office. Not just another charity event. This is Golf for Good. Good for the students. Good for your customers. Good for your team. Sure, we have fabulous tee prizes, but we also have more fun, because the more good you do, the better you'll score.

Good for Teams

Golf for Good is a fun way to get out of the office and support youth in our community, funding financial literacy and work readiness programming.

Good for Customers

Tired of the usual dinners, meetings, and quarterly reviews? Spend a fun day out on the course with your customers and build real connections!

Good for Students

Golf for Good brings the power of JA to the course. The more you give, the more you'll score. Bring your team or invite key clients for a meaningful day on the course!
